

Application Number: 10/730,282
Amendment Dated: May 23, 2005
Reply to Notice of May 4, 2005

Remarks:

This amendment is being filed before the one month shortened statutory period for response. Therefore, no extension of time is believed to be due, except as detailed below. However, any extension of time necessary to prevent abandonment is hereby requested, and any fee necessary for consideration of this response is hereby authorized to be charged to Deposit Account Number 502846 (Customer Number 36163).

This amendment cancels claims 8-20, which were withdrawn in the previous amendment filed on April 25, 2005.

After entry of this amendment, claims 1-7 and 21-32 will be pending. There are now a total of four independent claims (claims 1, 23, 26 and 31), and accordingly, a check in the amount of \$200.00 for an additional independent claim is enclosed.

In view of the foregoing, all of the pending claims in this application are believed to be in condition for allowance. Should the Examiner have any questions or determine that any further action is desirable to place this application in even better condition for allowance, the Examiner is encouraged to contact the Applicant's representative at the number listed below.

Respectfully submitted,
